### 1. Skills 2. Teamwork 3. Sportsmanship 4. Fitness

We provide a mix of on and off ice training and hockey education based on the latest techniques and systems. We focus on hockey theory and strategy, with the firm belief that being a smart hockey player is as important as being a skilled hockey player.

Our coaches are all USA Hockey certified, and have background checks. They do not solely rest on historic personal experiences, but continually look to improve themselves with the latest coaching techniques and systems.
